

# Limited Transmission Warranty Agreement

**Mountain Transmission**  
101-2307 Enterprise Way,  
Kelowna B.C. V1X 7E1  
**778-478-1520**

The automatic/standard Transmission repair/rebuild described on work order No: \_\_\_\_\_ and not including any other materials, labour or any other parts of the vehicle is warranted to the buyer against failure caused by workmanship and defects or replaced parts and materials for the term of \_\_\_\_\_ months or \_\_\_\_\_ kilometers (whichever comes first). If distance prevents you from returning to our shop for warranty work and you wish to receive repairs under the terms of this warranty, you must notify **Mountain Transmission** of the problem immediately. We will make arrangements for you to seek repairs at an alternate service facility. No repairs will be warranted without authorization from **Mountain Transmission**. **Mountain Transmission** reserves the right to perform warranty repairs ourselves when possible, or to make alternate arrangements when necessary. **Mountain Transmission** also reserves the right to refund full purchase price paid to us on all claims under the terms of this warranty.

**Notice: This warranty is null and void, unless the owner of the transmission repair/rebuild has the operation of the transmission checked by Mountain Transmission or an authorized Service Facility previously approved by Mountain Transmission.**

**\*\*\*\* Have transmission checked within 1,200-1,500 kilometers and/or 10 days from date of installation \*\*\*\***

## Warranty Terms:

1. Consequential or incident damage is not covered on this warranty.
2. This warranty gives you legal rights under the terms.
3. This warranty covers parts, labour and fluid only. It is valid only for the customer named on the first page.
4. This warranty does not cover such things as loss of use, towing, vehicle rentals, lost earnings, personal injury, nor any incidental or consequential damages. Warrantor's obligation is to replace and repair defective parts and labour only.
5. Worked performed can, many times, fail at no fault of the warrantor. Parts related, but not part of the transmission can fail and affect the transmission, converter or seals. Under these circumstances, this warranty is non-valid. In no way can we predict these events and cannot be responsible for them.
6. Rear wheel drive rear extension housing seals or front wheel drive axle seals will not be covered under the conditions of our warranty agreement as we have no control of the condition of the driveshaft yoke or drive axles. Also, we have no control of the installation procedure where damages to the seal may have resulted.
7. The warrantor is responsible for the parts and labour purchased on the customer invoice only, and not for subsequent failures of and/or damage resulting from related parts, such as: radiator coolers, linkage levers, controls, rubber mounts, external oil lines, electric accessories.
8. This warranty is null and void if transmission has been tampered with outside of an authorized/qualified repair shop. If it has been improperly installed outside our service center, if factory approved fluid has not been used, or if it has been abused by an individual and/or damaged in an accident, the warranty is null and void.
9. In the event of transmission failure during the terms of this warranty, **Mountain Transmission** will provide a warranty installation allowance of \$\_\_\_\_\_. If the installer requires more than the allowance provided, the customer will be responsible for the difference, including fluid and shop supplies.

## Customer Maintenance Instructions:

1. Have transmission checked within 1,200-1,500 kilometers and/or 10 days from date of installation.
2. Have transmission fluid checked regularly for the first 60 days.
3. Service transmission according to manufacturer's recommendations listed in your owner's manual.
4. Save maintenance receipts to prove proper maintenance.

**Implied Warranty – The warranty terms herein apply to both written and implied warranties.  
This warranty is not valid unless full payment has been received for work order number listed.**
